DISTRIBUTION OF NEW PHONE BOOKS TO BEGIN IN CAMPBELL IN FEW DAYS

Distribution of new telephone directories including brand new numbers with prefixes for Campbell and Saratoga telephones will begin in a few days, it was announced by W. E. Williams, Pacific Telephone district manager.

At the time new numbers become effective, on Sunday, January 18 at 7:00 A. M. Campbell subscribers will begin dialing direct to Los Gatos and Saratoga. In addition, the method of dialing San Jose and Santa Clara will be changed. Full information on the new methods of dialing will be mailed to all customers here.

The new prefix for Campbell will be FRanklin 8, and for Saratoga, UNion 7. New REgent 6 numbers will also go into operation for Sunnyvale.

Williams said that the new directory will have a distinctively marked cover cautioning subscribers not to use it before the January 18 changeover. He reminded that premature use of the new numbers will result in delayed calls or wrong numbers. After the change, however, only the new numbers should be used.

Telephone users were asked to destroy all copies of the old directory on January 18, as thousands of numbers shown in them will then be wrong.

Williams made these suggestions for direct dialing to the nearby exchanges from Campbell telephones:

1. Look up the number in the new directory. If the number you wish is not listed, call information.
2. Jot the number down.
3. For all local calls, dial the first two letter and numeral in the prefix, then the four other figures in the number.
4. For calls to other exchanges in your extended area, check the new method in the leaflet you will receive, or in your new directory.
5. Correct your personal number list to be sure the new numbers are shown.

Henley said planning starts this month on an additional school to be located on the Sanders property at the west end of Giles Ave.

Completion of this school, eighth for the district, is expected by Fall though not in time for school

Patrick H. Peabody Seeks Post Left By Robt. Kirkwood

Patrick H. Peabody, local radio station owner and newspaper publisher, today announced his intention of seeking the 28th Assembly District post vacated by Robert C. Kirkwood, when and if an election is called by Governor Earl Warren.

"My decision to seek the 28th district assembly seat vacated by Robert C. Kirkwood," Peabody said, "comes as a result of the urg-

ing of many of my friends as well as from a sincere desire to serve the people of the district.

"I have been a resident of the 28th district since 1938. I know its problems. As a member of the Santa Clara County Planning Commission from 1947 to 1952, and as publisher of three newspapers in the district, I have had an opportunity to visit all sections of the district and learn at first hand the varied problems confronting a rapidly growing area. Both as a publisher and as a county official I have had an opportunity to become acquainted personally with hundreds of residents of the district. These people deserve thoughtful representation in Sacramento, and I sincerely believe I can give it to them.

"As a part owner of a ranch here in the valley, which produces prunes, apricots and strawberries, I have come to know many of the

STEVEN ALAN BROWN WINS CONTEST AS FIRST CAMPBELL BABY OF YEAR

Steven Alan Brown, seven days old today, was the winner of Campbell's first baby of the New Year contest, sponsored by Campbell merchants. Steven arrived in Campbell by way of O'Connor Hospital at 11:17 a. m. New Year's day, new son of Mr. and Mrs. Carl H. Brown, 37 E. Rosemary Lane.

The Brown baby joins a thriving family of three other children. He has two older sisters, Sandra, 6, Kathryn 4, and an older brother David, 2. Sandra attends Campbell Grammar School.

ANNUAL CELEBRATION TO BE PRESENTED ON FEB. 22 AS IN THE PAST

Board of Directors of Campbell Chamber of Commerce, at a meeting of the whole this week, completed plans for rejuvenation of the organization with the announcement that Harold Estensen and William Enochs have been appointed to positions in the chamber. Estensen, manager of Leonard's Campbell Furniture and Appliance, and president of the Campbell Merchants' Stamp Association, has been unanimously selected to serve as Chamber president. Estensen replaces Mario Saia, who resigned recently due to press of business.

Enochs, Campbell certified accountant, and auditor for the city of Campbell, will replace Forrest Reese, present secretary-manager, who has handed in his official resignation effective February 1, 1953.

In addition, Eugene W. Barnes, co-publisher of the Campbell Press, was appointed general chairman of the Old Settlers' Day Program. All selections were by unanimous approval of the board of directors of the Campbell Chamber of Commerce.

In announcing the appointments, the board of directors commended outgoing secretary Reese for his five years of service to the organization and to the community. The board mentioned in particular that one of the best and most successful Old Settlers' Day programs ever to be held in the community was under Reese's direction and management.

Chamber directors, spurred to greater efforts by the development of the city and the influx of new families, with its resultant increase in population and expansion of business opportunities, have felt the need for a more active and closely knitted organization between existing business firms, the people of the community, and outside interests.

Estensen, in accepting the appointment as president, said that with the help of those interested in the growth of Campbell, especially Campbell merchants, Campbell should take its place in the new year with the more progressive communities in the Santa Clara Valley.

"There is every indication," Estensen said, "that all concerned will cooperate and that we will make progress in the new year."

One of Estensen's first actions as president was to call a meeting of the Chamber to discuss plans and policies for making the organization an active force in the development of the city.

Estensen's place on the board of directors will be filled at next meeting by appointment of a local man.

Next meeting is set for Wednesday, January 14, in the Chamber offices, at 19 So. First Street, at 1 p.m.

Barnes as Old Settlers' Day program chairman, said that committees which will be appointed immediately will have to work harder than ever before if arrangements are to be completed before the February 22 date. If committees start work on program functions at once, they will still have less than half the time committees in the past have been allotted.

Moreland District Calls \$175,000 Bond Election

Moreland School District has called a \$175,000 bond election to be held February fourth, to build new classrooms to relieve crowded conditions and the threat of double sessions at El Quito Park and Moorpark.

Bond issue has been called by the board of trustees to bring the bonded indebtedness of the district to the maximum—a step necessary to qualify for State aid. School district intends to issue \$119,000 immediately.

Trustees estimated a 908 increase in enrollment for the year 1953, based on a 21 percent increase for the 1952 school year.

Bus. Tax Notices Now Being Mailed

Applications for Campbell business license tax, mandatory under new Campbell license ordinances are now available in the city offices at Fire House, 41 Central Ave., according to City Clerk, Mrs. Dorothy Treveltham.

Mrs. Treveltham is presently mailing out copies to business firms in the city. She asks all business firms in the city who have not received mail notice of tax amounts due, to contact the city clerk in her office at the Fire House.

CITY CITED ... City Officials Ed C. Merrill, treasurer, Police officers Louis Doolittle, and City Auditor William Enochs peer over City Clerk Dorothy Treveltham's shoulder as she unfolds citation from Earl Warren, California Governor commending City of Campbell for 87 percent vote turnout in the November 4, general election.

Letter to the Editor

To the Editor:

Since the year 1949 it has been evident that there is no known or foreseeable end to the increased enrollment in the Moreland District as well as in the entire Santa Clara Valley. The number of the children in the Moreland School District has increased from 272 in 1949 to 768 to date, an average annual growth of 41 percent.

As a result of the foresight of the School Board, School Administration and the people of the Moreland District, adequate school buildings have been provided. These buildings are now filled, and the overflow is being housed in temporary classrooms.

To house the average increase of children and to provide some relief for those in temporary quarters, new classrooms must be built. To do this the District must vote on School Bonds, the money from which will be used to build classrooms at the El Quito Park site. This will help to relieve both schools of their crowded quarters and the threat of double sessions in the grades above kindergarten.

The growth of the District is shown below:

Year	Enrollment	% Increase
Oct. 1949	272	
Oct. 1950	433	59
Oct. 1951	621	43
Oct. 1952	750	21

If the year 1952 is projected at 21%, the enrollment in October, 1953 would be 908, or if our average enrollment continues to increase at the rate of 41 per cent the enrollment would be 1058.

All one needs to do to survey the present need for more classrooms is to visit both Moreland and El Quito Park Schools in search of space for the growth that is inevitable. All of us who had children on double session at the beginning of this school year know what an evil it is, disrupted homes, tired children, etc.; in other words, it isn't very pleasant and above all it certainly does not provide for the proper learning situation. Research has confirmed this. It is evident that the need for more

rooms and necessary outbuildings, for the purpose of worship, on Rincon Avenue, 230 feet west of the intersection of Rincon Avenue and the Santa Clara-Los Gatos Road, in the City of Campbell, California.

Interested persons may present written or oral objections to the granting of said permit at the time of said hearing.

classrooms will be so great that if additional classrooms are not constructed this year, double sessions next year cannot be avoided.

The Board of Trustees has called a Bond Election to be held Feb. 4th, 1953 to authorize \$175,000.00 worth of Bonds, \$119,000.00 of which will be issued immediately. This will bring the bonded indebtedness of the district to the maximum. One of the state requirements for state aid for building is that the school district be bonded to the maximum before making an application. The reason for authorizing \$175,000.00 in Bonds is so that the District may continue to be qualified for state aid as the Bonding capacity increases.

To the Editor:

As you invited comment on changing the date of our annual Old Settler's Day celebration I would like to give you the viewpoint of leaders of one of the youth organizations which always take part in the parade.

On February 22, two years ago, leaders and girls along with several hundred other children, stood in a cold drizzle of mist and rain for 40 minutes before the parade started, then marched down Campbell Avenue with a chill wind from snow-covered hills blowing over us.

Many of the children wore coats and jackets over the uniforms of which they are so proud. On Feb. 22, last year we again assembled in rain for the parade. We found that though the younger girls of our organization were well represented (they were to ride in trucks) there was only a handful of older Camp Fire Girls. Out of 22 active groups in Campbell area, there was not one complete group ready to march.

We found the reason was that many of the parents would not allow their daughters to subject themselves to another wet and chilly experience. We leaders felt that the small number of girls who did take part was not truly representative of our large organization.

SCOUTERS MEET TO ENCOURAGE NEW TRAINEES

Commissioners of the Campbell Scout District met at the home of District Commissioner Charlie Mitchell Monday night January 5th. Main discussion of the meeting centered around encouraging the Scouters of the Campbell District to participate in the coming training courses.

Attending were the following neighborhood commissioners: Art Downing, Monty Esterbrook, Dick Craig, Max

We would like to suggest that the Chamber of Commerce call a meeting at which two representatives of each organization in this area are asked to be present.

After a thorough discussion, a new date could be decided upon—a date on which we could reasonably expect good weather and which did not conflict with celebrations in other communities.

As Old Settler's Day has NOT ALWAYS been held on February 22, we would not even be breaking with tradition.

It seems to us that since our community is growing by leaps and bounds, the underlying objective of the celebration should be, not only to honor the pioneers, but to draw the new residents together and develop a little community spirit, besides acquainting outsiders with our newly incorporated town, our lovely schools and many organizations. We feel that this could be accomplished if the celebration were held a time of year when spectators did not have to view the scheduled events in overcoats and from under umbrellas.

1952 Chairman, Campbell
Camp Fire Leader's Council.

Episcopal Nuptial Rites Unite Marie Carman and Bruce Rider

Marie Elizabeth Carman was escorted by her father, Hugh Carman, to the altar of Trinity Episcopal Church in San Jose, December 28th, 1952, to become the bride of Bruce J. Rider.

Marie's ballerina-length gown was of white embroidered organdy, matching the little "dutch" cap which held her fingertip veil.

She carried a white prayer book.

Heirloom of the Carman family, decked with a white orchid and setphanotis. The bride's matron of honor was her sister, Mrs. Carol Johns (Marge Carman), who wore a ballerina gown of aqua net over taffeta with a matching headband and carried a bouquet of yellow roses and white daisies. Flower girl Patricia Carman, niece of the bride, was attired in a ballerina frock of white net over taffeta; white daisies completed her costume. The church was winter-lovely with Christmas decor and baskets of white chrysanthemums, stock and snapdragons.

Ray Harrower of Redwood City was best man to the bridegroom, and ushers were James Dodd and Carol Johns.

Dr. Mark Rifenbark officiated at the double ring nuptial ceremony.

Following the one o'clock wedding, a reception was held in the De Anza Hotel, where 100 guests wished the young couple joy. The new Mrs. Rider cut a four-tier cake ornamented with white roses and silver leaves.

For her daughter's wedding Mrs. Hugh Carman selected a gown of rose lace over taffeta with black accessories and pinned on a corsage of white carnations. Mrs. T. J. Rider, mother of the bride, chose a costume of navy blue with navy blue accessories and pinned on pink carnations. Janet Rider, twin sister of the bridegroom, was also gowned in navy blue, and her corsage was of red roses. Mrs. Rider and Janet came by plane from their Santa Monica home to attend the wedding. Mr. T. J. Rider was unable to be present because of illness.

The justweds left after the ceremony for a wedding tour of Southern California. Mr. Rider, a geologist in the Army Engineers, was on leave from the base at Palomar, where the young couple will live until March, when he expects to embark for Alaska. A former student at UCLA, he plans to return to college after his discharge next December.

The bride is an employee of Ames Laboratory at Moffett Field, where she will resume her position when her husband goes to Alaska. She attended Los Gatos and Campbell schools and is a graduate of San Jose State College.

Frank Freeman Gossips Spicily

Typographical errors, as related by Frank Freeman in his talk on "The Art of Gossiping" given before the Country Woman's Club on January 5th, spiced one of the most humorous meetings the group has enjoyed. That there is many a slip 'twixt the font and the galley was illustrated by Mr. Freeman, whose collection of journalistic errata includes such gems as the headline concerning a disguised girl-runaway: "Female Fleas in Father's Pants".

Shifting from the risible to the aesthetic, the program included musical presentations by John Loban, student violinist of San Jose State College, who, accompanied by Miss Lorraine Wood, played compositions of Debussy, Brahms and Kreisler.

Mrs. Walter Elkey, first vice president of the club, presided over the short business meeting in the absence of the president.

The next meeting of the Country Woman's Club, to be held January 19th, will have a surprise theme.

Cambrian WSCS To Meet Tonight

The Women's Society of Christian Service of the Cambrian Methodist Church will meet this evening, January 8th, at 7:45, at the home of Miss Dorothy Gleason, at 14905 Leigh Avenue.

Mrs. George Atkinson of Burlingame will speak on Henderson Settlement, Methodist home mission project in the Southern mountains, where she visited recently, and will show slides taken at the scene of the project.

Hostesses for the evening will be Mrs. Clara Greggs and Mrs. Wayne Thompson. Mrs. John C. Sphar, president of the WSCS group, will preside at the meeting.

Cambrian Groups Use Youth Center

The Cambrian Youth Center, already in use by Cambrian organizations, will be officially dedicated January 22nd, according to a spokesman for the Board of Directors of the building.

The Men's Club of Cambrian has headed the drive for this worthwhile project and has been supported by other groups, including the Cambrian Home and School Club, which donated funds from its fiesta and bazaar, the Boy Scouts of the district and members of the faculty of Cambrian School.

The Center has been developed entirely through contributions, and further donations will be welcomed, as painting and landscaping are not yet completed.

Located next to the Cambrian Schoolground, with an entrance into Briarwood Way, the structure was one of two buildings condemned for school use. The smaller of these has been converted into a garage for school buses, while the larger has been renovated for use as a meeting place. The Center boasts two halls, divided by a foyer, a kitchen which may be used from either hall, a powder room, a men's room and lockers for scouts and 4-H clubs.

Planning and renovation have been done under the direction of contractor Max Nigl. The original building committee included Max Nigl, Herb Brash, John Klinke, Guy Gibbs, Fred Wetz, Olin Shanrock and C. P. Mitchell. Committee members now in charge of completion of the Center are Ed Carhart, Wayne Huff and Guy Gibbs.

A board of directors has been chosen to manage the use and maintenance of the building, members representing the Men's Club, the Home and School Club Executive Board and the Cambrian School Faculty. Ed Carhart is chairman of the board, and Mrs. Donald Lantz is secretary. Other directors are Miss Carmel La Malfa, Guy Gibbs and Wayne Huff.

Engagement Told At Two Parties

Mr. and Mrs. Stanley B. Smith have announced the engagement of their daughter Lois to Ed Spafford, son of Mrs. Louise Spafford of Glendale and brother of Mrs. Edith Murray of the same city.

The betrothal was first announced in Hollywood at a party given by Mr. and Mrs. Robert Lasher. Heart shaped cakes bearing the names of the young pair were served to ten couples attending the party. News of the forthcoming

rangements with Mis La Malfa at Cambrian School.

First use of the Center was by the Boy Scouts, who gave their Christmas party there December 22nd.

The Executive Board of the Home and School Club met in the Center December 30th, and the club held its first general meeting of this year in the Center on January 7th.

The Annual Cambrian Firemen's Potluck Dinner, fifth in the tradition, is scheduled for January 12th in the Youth Center. On the committee preparing for this event are Guy Gibbs, chairman; Herbert Brown, William Knight, Wayne Huff, Ed Carman and Frank Coombs.

nuptial event was revealed in a mock newspaper handed to each guest.

An announcement party was given by Mrs. Stanley B. Smith in her Los Gatos home on January 3rd, when a group of Lois's friends found the tidings hidden in Chinese fortune cookies.

The bride-to-be is an alumna of Campbell Union High School and of the University of California at Davis. At present she is working toward a teaching credential in Home Economics. She served as secretary of the Associated Student Body at Davis and is a member of Prytanean, women's honorary society.

Mr. Spafford was graduated from Herbert Hoover High School of Glendale, attended the University of California and will receive his B. S. degree from the University of California at Davis next June. After graduation he will teach agriculture. He is president of the Associated Student Body at Davis and a member of Blue T and of Alpha Zeta, honorary agricultural fraternity.

No date has yet been set for the wedding.

LOCAL SERVICE FUNDS DISTRIBUTED TO COMMUNITY ORGANIZATIONS

Plans for distributing \$9,000 raised by 1952 Campbell Community Service Fund to benefitting organizations were completed at a Board meeting held this week at Campbell Union High School, Edward F. Tablak, Fund chairman announced today.

Amount raised was far short of \$18,500 goal set at start of campaign but was the largest ever collected in the Campbell area, officials said.

Funds were distributed to needy organizations on a percentage basis of the amounts applied for. Requests of Campbell Schools milk fund, and to Campbell Library were met in full, but other organizations were pro-rated and received proportionate percentages of their original requests.

In announcing the distribution Tablak, who presided at this week's meeting in the absence of campaign president Dr. Robert M. Wade, said a great deal of additional support is needed if next year's drive is to be successful. Plans were discussed at the last meeting Tablak said, to put the 1953 drive over the top. Commit-

tees are already at work to organize the community for a more intensive canvass for the next drive, he said.

Following is a breakdown of amounts distributed to Campbell organizations, proving, Tablak said, that money collected does remain in the Campbell area:

Boy Scouts: \$2543; Girl Scouts, \$1131.60; YMCA \$414.30; Camp Fire Girls, \$1264.00; Visiting Nurse's Association, \$414.30; United defense, \$207; Family Service, \$697.80.

In addition to the above amounts \$2,000 was distributed to various schools for milk fund use, and to the Campbell Library in the following amounts: Campbell Grammar School, \$900; Moreland, \$250; Cambrian, \$250; Union, \$100 and to the Campbell Library \$500.00.

American Business Behind The Scenes

by Reynolds Knight

Running a small business of one's own is a hazardous way to make a living, the Office of Business Economics of the Department of Commerce concludes on the basis of a recent survey. This will not be news to the founders of 5 1/2 million companies organized between 1946 and 1951: half of these companies had been liquidated by the end of the latter year.

Greatest mortality was among retailers. Fewer than 65 per cent of all retail establishments organized in the period under review survived their first year in business, and only 21 per cent of them marked a fifth birthday. The figures are for all companies, but most of the firms are (or were) small ones.

The Department adds that its figures don't mean most companies went broke. No more than a fourth of total business transfers, and a bare half of total liquidations, occur as the result of losses or as expedients to avert losses. In fact, retiring Secretary of Commerce Charles Sawyer asserts that there are more business firms per thousand potential customers than there were in 1900, despite the recurring refrain that a few big corporations are devouring all the little ones.

POINT IV, JR.—Members of the National Junior Vegetable Growers Association, at their recent convention in New York, decided to correspond with farm youngsters in other lands, and seek to

instruct them in the techniques whereby U. S. farmers get the world's highest yields of high quality foods. Seeds for staple foodstuffs will be sent to other lands. Nadine Thompson, 18, of Lakewood, Colo., this year's NJVGA champion, won the endorsement of Mme. Pandit, India's chief delegate to the United Nations, for the idea. Nadine herself, as a student of the American University in Lebanon, where her father heads a U. S. mission, is familiar with agricultural needs in the Near East.

LABOR—STRETCHERS—Industry used more and more instrumentation and automatic control equipment in 1952 to expand production in the face of a tight labor supply, Henry F. Dever, president of the industrial division of Minneapolis-Honeywell Regulator Company, reported as 1953 began. Mr. Dever said the instrument

industry could find a great market for 1953 and future years in continuing expansion of the process industries, the spur to the chemical industry of defense requirements, the rise of petrochemistry, and the replacement of obsolete or obsolescent plants originally built before the days of automation.

FOOLPROOFING PEOPLE—Industrial accident prevention in 1953 and beyond must turn more and more to correcting the human factor in mishaps, said Charles E. Hodges, president of the National Association of Mutual Casualty Companies, in an interview on the 1953 outlook. Nearly all machines have been rendered as mechanically safe as possible in the last few years of safety-consciousness, declared Mr. Hodges. While a great deal of work has been done on finding the accident-prone worker and correcting his faulty work habits, the insurance execu-

tive pointed out, much remains to be done simply because human beings are more complex than the gadgets they operate.

BIG CHILL FOR '53—Servel, Inc. expects its best year of civilian sales in 1953, according to W. Paul Jones, Servel president. Mr. Jones says that Servel's pioneering feat of bringing the refrigerator out of the kitchen with its electric Wonderbar, has shown the way for the whole industry to benefit. Saturation of the market has been pushed far into the future if every home can be persuaded to install two refrigerators, he pointed out. A second major advance in household refrigeration was the unveiling for 1953 of the "Ice Maker" refrigerator, which makes crescents of ice rather than cubes, and stacks them in a basket instead of trays.

PEN OUTLOOK BRIGHT—of new products, and removal of business confidence, development more controls of raw materials will all help 1953 sales in the writing equipment industry, according to Wilbur K. Olson, president of the Fountain Pen and Mechanical Pencil Manufacturers Association and director of development for the W. A. Sheaffer Pen Company. If confidence in the new administration is further fed by reduced spending, and metals and new plastics are available in sufficient quantity, he explained, full production will be assured, and if the excise tax on pens is allowed to expire on schedule a corresponding rise in demand can be expected.

LIGHTER CAR GAINING—Prospects for the lightweight automobile are brighter as 1953 dawns than at any time before in the automobile industry's history, in the view of Ward M. Canaday, president of Willys-Overland Motors, Inc. Public acceptance of his own company's Aero Willys line has surpassed expectations, said Mr. Canaday. He forecast that the impact of high costs and high taxes would turn more and more automobile operators to the economical small cars if those offered the factors of safety and styling which attract buyers to the larger and heavier vehicles.

problems of our farmers. They should have the services of one who is sympathetic to their needs.
"Although I am still active in the newspaper field and have other business interests in this county, the nature of these businesses is such that I can give all of the time required to represent the district in the state legislature properly. The duties of an assemblyman require more and more time as California population increases. The people of the district should elect a person who can give the necessary time to the job," Peabody concluded.

A resident of the district since 1938, Peabody is well-known for his years of public service in Santa Clara County both as a county official and a leader in many civic enterprises. He served as a member of the Santa Clara County Grand Jury in 1947 and as foreman of the Jury in 1951. He had five years of experience on the County Planning Commission—from 1947 to 1952—and was chairman of the Commission in 1951 and 1952.

In 1947-48 Peabody was chairman of the O'Connor Hospital Building Fund Campaign, raising more than \$1,000,000. He was also chairman of the San Jose Community Chest Campaign in 1950 and 1951.

A veteran of World War II, Peabody served as Chief Petty Officer in the U. S. Navy from 1942-1945.

He and Mrs. Peabody now live on Glen Una Drive near Los Gatos.

RURAL CARRIER DAN YEAGER ENDS 38TH YEAR

Dan Yeager, Campbell Postoffice rural carrier on route one, ended up his 31st year on the same route last Wednesday night as he ceremoniously cut another notch on the steering wheel of his battered Model "A" Ford.

Yeager, senior member of the local postoffice staff, started his first tour of duty under post mistress Lottie Miracle, January 2, 1921 on the only rural route out of Campbell Postoffice, a 29 mile stretch serving 329 boxes. Postmistress Miracle, Onie Putnam, clerk, and Yeager constituted the Campbell Postoffice staff at that time.

The Christmas season just passed was Yeager's 38th in the Postal service. He worked in the San Jose Post Office and in the Alameda, Calif. Post Office, prior to coming to Campbell. Both Yeager and his Ford are still going strong.

TWINS ARRIVE FOR H. NELSONS

Mr. and Mrs. Hugh Nelson, 111 South First Street, were twice blessed this week when a set of twins arrived to join their growing family.

A boy, Hugh Gilbert Nelson III, arrived January 4 at 7:25 p.m., weighing seven pounds 3 ounces, measuring 19 and one half inches. His twin sister, Beth Elaine came the next day at 12:45 a. m. tipping the scales at an even eight pounds and measuring 20 inches.

The Nelsons have one other child, a daughter, Janet 20 months old.

Both parents are reported doing well. Father Nelson is a mail carrier for the Campbell Postoffice.

HUNT'S FOODS BUYS SNIDER CONDIMENTS CO.

Hunt's Foods Inc., Campbell's largest heavy industry has purchased the Snider condiment business from General Foods, Frederick R. Weisman, president of Hunt's Foods, G. O. Bailey, vice president of General Foods, announced in a joint statement yesterday.

Campbell plant superintendent Elvan A. Hansell, said yesterday its immediate effect on the Campbell plant would be to provide a larger outlet for its tomato crop, with a possible larger number of workers employed.

"There will be no immediate effect on the employment situation, however, since all work is seasonal," he said.

The local plant, now undergoing routine maintenance and repair work after the regular fall canning season, will not start full operation until late May when the Cherry and peach season starts, Hansell said.

Weisman said Hunt's Foods will continue full use of the Snider label and to integrate the Snider operation into the overall activities. Snider factories are located at Albion, New York, and Fairmount, Indiana.

ROSEMARY CLUB TO HEAR GRID COACH SPEAK

The meeting which starts at 7:30 at Rosemary School will consist of a business meeting, guest speaker and will be topped with refreshments for all present.

Plans will be discussed in the business portion of the evening concerning Rosemary's School's bingo game scheduled for February.

Among a group of Explorer Scouts and leaders who spent several days at Camp Hi-Sierra Winter Camp were two Campbell Explorer Scouts, JERRY HENLEY and RONNIE ISAKSEN. The group packed into Camp using toboggans for hauling gear and supplies. Four feet of snow made the trip enjoyable for all. Several toboggan runs were established and races held for time and distance. A snowshoe hike was taken one day which took the group into new country and new activities. While the weather was cold, all Scouts were well prepared and a fine time was had by all. Leaders were Allan Gerbliek, Austen Warburton, Bill Rianda and Ken Robison.

POLICE COURT CLOSES TERM WITH CLEAN SLATE

Campbell Police Court presided over by Campbell Justice of the Peace Martin S. Walsh, closed out its three month term of office on January first, with an audit of court records conducted by Grand Jury auditors.

Auditors who praised efficiency of the court in its conduct of affairs in the three month term disclosed that \$2,212.50 in fines were collected and turned over to the city of Campbell. In addition the court fined and collected \$4,953.50 which went to the county.

Judge Walsh said today he will continue to maintain his law office at 200 E. Campbell Ave. in addition to his San Jose

NARCOTICS EVIL SUBJECT OF PTA GUEST SPEAKER

The use of narcotics is not the beginning of juvenile delinquency but the end, coming after delinquency is well established and as a means of forgetting that his or her behaviour is no longer acceptable to society, Barton Collins, chief of detectives who has been associated with the San Jose Police Force for 17 years, brought out this fact in his closing remarks to the Campbell Grammar School P. Former Campbell Police court secretary, Mrs. Verner Allan, will continue duties as secretary for the new court.

Clara County does not have a problem. Parents were also reassured that checks have been made in various schools including the Campbell High School, and no trace of the presence of marihuana or heroin has ever been found.

A group of Camp Fire girls from Mrs. H. Tragardh's "We-han-pa" group led the salute to the flag. This was followed by the reading of the inspirational by Mrs. Cecil Call.

Mrs. Richard O'Flynn presided at the business meeting, at which time the reports were heard from the secretary, Mrs. George Duncan and the treasurer, Mr. Jack Marsh, as well as from the various committee chairmen. The rag drive will

be held from Jan. 26-29 at which time there will be held a contest within the three sections of school, primary, intermediate and upper grades. Mrs. Ray Martin, the carnival chairman, asked that anyone who wishes to be in charge of a booth should contact her.

"Many a girl looks sweet on the outside.
So does a sugar coated pill."

Remember all the happiness
That comes your way in living;
Forget each worry and distress;
Be hopeful and forgiving;
Remember good, remember truth,
Remember Heaven's above you,
And you will find through age and youth,
True joys and hearts to love you."
